

**The Key To
Good Health !**

ABOUT US

Our Commitment to Life-Saving Solutions At SG Healthcare Pvt. Ltd., we're driven by a commitment to providing high-quality, affordable healthcare solutions. Founded with the vision of becoming a leading exporter and contract manufacturer by providing high quality and affordable products in accordance with customer as well as statutory and regulatory requirements to meet or exceed the customer's expectations in healthcare industry. We manufacture a wide range of effective pharmaceuticals designed to meet the needs of our communities.

We believe in consistent up-gradation in technology, adopting fast growing demand of quality and efficiency levels, to improve and expand investment in technology, to upgrade existing systems, product and man power. Achieving satisfaction of medical fraternity through continuous improvements in products and processes and to excel globally through technological advancement and strive to deliver exceptional value to our patients, partners, and employees. This can be achieved through validation techniques and proper management of 'Men', 'Machine', 'Materials' and 'Processes', Validation techniques gives assurance that right people, right machines are carrying out right processes.

Our Mission : **High-Quality Healthcare for All**

Our dedication to Develop, Manufacturing and global distribution ensures access to life-saving medications and therapies for people to improving health outcomes and making a positive impact on lives worldwide.

Our Vision : **A Legacy of Care**

Vision focuses on becoming a global leader in drug discovery, innovation, and end-to-end manufacturing, while ensuring accessibility and affordability of healthcare. Focusing on developing products and services that meet the specific needs of patients. Encouraging partnerships between industry, academia, and research institutions to accelerate innovation

Our Expertise : **State-of-the-Art Manufacturing**

Our commitment to quality is reflected in our state-of-the-art manufacturing facilities. Equipped with advanced technology and staffed by a team of dedicated professionals, these facilities produce a wide range of effective tablets, capsules, and external preparations. We are proud to export our life-saving medications to over 20 countries, making a positive impact on global health.

Our Core Values : **Quality as a Mindset**

At SG Healthcare, quality management is not just a department, it's a mindset that permeates our entire organization. We believe our competitive advantage stems from our WHO-GMP certified manufacturing facility, ensuring the highest quality standards are consistently met. This dedication to quality is fueled by the perseverance, hard work, and commitment of our team.
